

CHRYSAOR

NEWS RELEASE

26<sup>th</sup> MAY 2015

**ORIGO EXPLORATION ACQUIRES 25% STAKE IN P2074 AND P1932**

Chrysaor has entered into an agreement with Origo Exploration for them to acquire 25% of licenses P2074 and P1932 in UK waters West of Shetland.

During the summer of 2015 an exploration well will be drilled on the Mustard prospect in P2074.

In addition a 500km<sup>2</sup> 3D seismic survey will be acquired in P1932.

Both are located close to the Solan field leaving Chrysaor (Operator) with 50% stake, DEA (25%) and Origo (25%)
