Hawkins and Seymour Production Increase Environmental Statement

The Secretary of State for Business, Energy and Industrial Strategy has been informed that Chrysaor North Sea Limited has submitted a letter of application to the Oil and Gas Authority in relation to a proposed increase in production from the Hawkins and Seymour fields located 137 miles from the Aberdeenshire coastline, at 57° 57' 26" N; 01° 50' 42" E. In accordance with the above-mentioned Regulations, this letter of application is supported by an Environmental Statement, copies of which may be inspected between 10am and 4pm on business dates at The Capitol Building, 6th Floor, 431 Union Street, Aberdeen until close of business on 31/10/2019. Copies of the Environmental Statement may also be obtained from the address detailed above (subject to a discretionary charge of £2).

Interested parties have until the date specified above to make representations in relation to the submission to the Secretary of State. All representations should quote the Department's reference number (D/4238/2019) and may be made by letter or email to:
